2011 Popcorn Sale

Our thanks to each of you for your commitment to the outstanding programs in Sagamore Council and your personal involvement in this year's Popcorn Sale.

We anticipate the greatest success in the history of our Council's popcorn sales in 2011 and know that you will encourage your unit to "Do their Best" as we provide funds for your unit's programs as well as help fund valuable Council activities through this process. Here are some important items to remember as we move through the Popcorn Sales season.

Don't forget to establish both a unit goal and a youth goal for your popcorn sale. Remember, if you put the effort into the sale, this could be your only fundraiser you need for this Scouting year!!! Encourage your unit leaders, parents and youth to visit the trails end website at: www.trails-end.com to view the training materials on how to sell popcorn.

Our Council has a long history of fabulous successes with the annual Popcorn Sale. Three time Olympian, Ruben Gonzalez said, "Belief is the first step to success!" We have thousands of Scouts like Ruben who believe that they will be the best. A Scout is helpful, and it is our job to encourage them to achieve that goal.

Please contact us (765) 452-8253 with your questions and also inform us of your successes. We're excited about the Trail's End Popcorn project for 2011 and wish you and your unit the very best in sales!

Cub Scout and Webelos Adventure Camp

As you plan your 2011-2012 Pack programs, don't forget to include a trip to Cary Camp for Cub Scout and Webelos Adventure Camp.

Cub Adventure Camp 1 June 29, 2012 – July 1, 2012
Cub Adventure Camp 2 July 20- 22, 2012

Cub Adventure Camp Fee: Pair (youth and adult together)
Early Bird (Commitment by May 11, 2012): \$105
Regular (Commitment after May 11, 2012): \$115

Webelos Adventure Camp 1 July 5-8, 2012
Webelos Adventure Camp 2 July 8-11, 2012
Webelos Adventure Camp 3 July 12-15, 2012
Webelos Adventure Camp 4 July 15-18, 2012

Webelos Adventure Camp Fee: Youth only
Webelos Den Incentive* (Registered by May 11, 2012): \$110
Early Bird (Commitment by May 11, 2012): \$120
Regular (Commitment after May 11, 2012): \$130

Webelos Adventure Camp Fee: Adult (1 adult for every 6 Webelos)
Early Bird (Commitment by May 11, 2012): \$65
Regular (Commitment after May 11, 2012): \$75

*Webelos Den incentive is a \$10.00 discount per Webelos if you bring 75% or more of your rechartering third and fourth grade boys.

Cub Scouts who attend with members of their own Pack enjoy camp more than if they camp without boys they know. Parents who attend camp with their Pack also take on more leadership responsibilities in the Pack. Webelos Dens that come to camp as a group have more fun and are ready to attend Boy Scout camp as they graduate. They can also save \$10.00 per Webelos by bringing 75% of the Packs graduating third and fourth grade boys (based on 3rd and 4th grade recharter numbers). Contact your District Camp Promotions team leader or your District Executive to schedule a Cary Adventure Camp presentation at a Parents night.

Webelos Activity Badge Midway

The 2011 Webelos Activity Badge Midway will be held on October 29, 2011, at Cary Camp. Webelos Dens are encouraged to camp Friday and/or Saturday nights. Registration will take place on Friday night, 5:00 – 8:00, and Saturday, morning 8:00 – 9:00. The fee for the 2011 Midway is \$18.00 for each Webelos and \$16.00 for each adult. There is a \$2.00 discount per person if fees are paid by October 3, 2011. Fees include Breakfast, Lunch and Dinner on Saturday. Registration forms have been mailed to all registered Cubmasters and Webelos Leaders and are also available at: www.sagamoresignals.com. This year, participants may also participate in the Haunted Trail for an additional fee of \$5.00 plus a canned food item to be donated to a local food bank.

Webelos will be able to take up to three of the following:

Artist	Handyman	Scientist	Citizen	Forester
Boy Scout Preview	Communicator	Outdoorsman	Conservation Project	
Readyman	Leave No Trace Award Project	Naturalist	Engineer	

Attending sessions does not guarantee completion of the Activity Badge as some requirements are not able to be accomplished at Midway. Webelos will be assigned to sessions based on registration date up to October 19th. No Packs or Webelos will be scheduled without full payment or list of adults attending. Registrations received after October 19th may not be scheduled until the day of the event. Please make sure you mark six choices per Webelos or list a reason for marking less (i.e. will only attend in afternoon or has all of the others).

Social Media Do's and Don'ts

With Facebook, Twitter, You Tube, Foursquare, Tumblr, and other social media sites exploding, this is a good time to check out Scouting's social media guidelines. You'll find good advice about setting up safe profiles, applying the two-deep leadership policies to the online space, responding to negative or inaccurate posts, and making sure that social media posts accord with the Scout Oath and Law. There's much more at scouting.org/scoutsource/Marketing/Resources/SocialMedia.aspx.

NOVEMBER CUB SCOUT ROUNDTABLE

Come to roundtable -- It's fun and there is a great exchange of new program ideas! Come out to the November Cub Scout roundtable. The core value to be highlighted will be respect.

Discussion items will be: holiday visits and service projects, den ceremonies, immediate recognition, activity badge counselors, building and maintaining pack spirit, and preparing for the pinewood derby. We will have a track set up so bring a car or two to race.

All packs that come to roundtable will receive a star for attendance. The more stars you have the more points you earn toward our auction which will be held either at our April or May roundtable. Additional leaders from your pack helps build up points for the auction.

By the October roundtable, suggestions were submitted for a new name for our Northern District. The list was narrowed to three by your district committee, and now it is time for you to vote and be a part of Sagamore Council history. The vote will take place at the November roundtable; we hope to have a great attendance.

SAGAMORE COUNCIL ADVANCEMENT

Effective October 1, 2011 Sagamore Council will require that completed advancement reports be submitted to the Council Service Center before a Pack, Troop or Crew can purchase advancement for any youth member.

At the end of the last year Sagamore Council recorded advancement for Cub Scouts at 39.7% and Boy Scouts at 40.9%. We are certain that these percentages are not correct and are much lower than what really is happening in your units. When completing the advancement report, all Bobcat, Tiger, Wolf, Bear, Webelos, Arrow of Light, Tenderfoot, Second Class, First Class, Star, Life, and Eagle advancements must be recorded. Also, of importance, if you purchase advancement badges in Ft. Wayne, Indianapolis, South Bend or Munster and don't turn in an advancement report to Sagamore Council, then your Scouts are not getting credit for what they are accomplishing.

PLEASE turn the advancement forms in! This is very important. Thank you for all you do for our Scouts.

Even though summer is over, there are plenty of activities to do outdoors. Takachsin Lodge encourages all units to get outside and have fun in the coming months. There are several camporees and other events going on of which units can take advantage. We would also like to take this opportunity to remind units that this is a good time to start planning your summer camp for next year. Camp Buffalo provides an excellent summer camp experience for Boy Scouts of all ages, and Takachsin Lodge is proud to do our part in providing a great summer camp experience for the youth of our council.

If you have O.A. members in your unit who are not receiving mailings from the lodge it could be that they have moved, and their new address has not been updated in our system. So if you have O.A. members in your unit who have moved in the past couple of years ask them to send their new address to the Council Office marked ATTN: Lodge Advisor Change of Address, and it can be updated in our Lodge computer system.

As the Districts realign, Takachsin Lodge will realign to 3 chapters. In January we will become a 3 chapter lodge. This should allow us to have a full roster of chapter officers, and allow us to better serve the districts we represent.

OA Fall Fellowship

Takachsin Lodge will be hosting our annual Fall Fellowship weekend at Camp Buffalo Oct. 14-16. This will be a great opportunity to meet your fellow OA members while competing in different activities. An "Arrowman Triathlon", featuring the climbing tower, kayak races, and shooting sports, is included in the mix of activities. There will be a hog roast Saturday night followed by officer elections. We will also have a pie auction and the winner will be able to "pie the Lodge Chief." This will be a camping weekend so bring camping gear including a tent. The camp ranger would like to see us fill the 5 biggest camp sites.

The cost for the weekend is \$25 for the entire weekend and \$14 for Saturday's events only. Registration will be from 7-9 p.m. Friday evening and 8-9 Saturday morning, so encourage your Arrowmen to attend this weekend of good fun and good food.

This will be a great event, especially for new OA members. Call the Scout Office to pre-register or complete and return the form you should have received in the mailing sent out mid-September.

Arthur L. Anderson Campership Endowment

Assistant Scoutmaster and Eagle Scout Art Anderson was a lifelong Scout and Scouter, earning his Eagle in 1949, the Silver Beaver in the mid-1990s, and the Shofar Award just days before he was tragically murdered while leading two Scouts and another leader on a five mile nature hike.

Art was a BSA member for over 60 years and a member of Kokomo Troop 506 for over 40 years. In his role with Troop 506, Art handled new Scout advancement, allowing him to touch the lives and influence every Scout that has passed through the troop since the early 1970s. In addition, he has mentored every Scoutmaster in the troop during that time, helping them keep the focus on the Scouts and to learn and practice the patrol method. Art also led the troop's annual Junior Leader Training weekends, was an advisor on multiple Philmont treks, participated in a Boundary Waters trek in 2006 (at the age of 71), and camped frequently with the troop.

Art's passion, however, was summer camp. In forty years, Art missed only 1 or 2 summer camps, whether in Indiana, Ohio, Illinois or Michigan. More than just attending the camps, Art was instrumental in making them successful. He exhorted every Scout in the troop to attend every year, coordinated each Scout's camp merit badge plans, conducted swim certifications in his back yard pool, and personally funded the week for Scouts that didn't have the financial means to participate. Countless Scouts attended summer camp because of Art Anderson.

That is why we have established the Art Anderson Summer Campership Endowment in Art's memory, so that Scouts from Sagamore Council will always go to camp because of Art. Years ago, upon returning from Philmont, Art once told a parent that the troop had left their boy behind in New Mexico. After a pause, he went on to inform them that, however, the troop had returned to them a fine young man. This, 1000 times over, is Art's legacy.

If you would like to help us keep Art's Scouting legacy alive, please consider donating to the Arthur L. Anderson Campership Endowment via the attached donation slip. Thank you for your consideration

Rechartering Packets in October

You will be receiving your recharter packets at the October Roundtable. If you have questions about the rechartering process, contact your Unit Commissioner! They're the "first line of defense" for your Scouting questions! If you don't know who your Unit Commissioner is find out at Roundtable, or call Nick at 765-452-8253. Please get these packets in early this year! Remember that all units are rechartering at the same time, and if you wait until December that will make it much harder for the office staff to have a happy holiday season.

Here to Where?? Fall Camporee

- Date:** October 21-23
- Location:** Paradise Springs Park, Wabash, Indiana
- Cost:** \$5.00 (Includes Chili Supper on Friday)

This year's fall camporee will be a traveling Camporee. Friday night will be at Paradise Springs (351 E. Market St. Wabash, IN), Saturday morning troops will receive a topographical map and cache locations on the route. They will find their way to the next campsite approximately 8 miles away using either a GPS unit or a map and compass. A limited number of GPS units will be available for loan if you do not have one, and there will be classes on Friday night on how to use one. Fishing, Geocaching, and Surveying merit badges will be offered Saturday afternoon. Bring signed merit badge cards for the classes you will take at the camporee. Fires will need to be in a container. No wood is available Friday, but downed wood will be available on Saturday. We are also looking for adults to help with merit badges, traffic directors, and other activities.

Please call the office or check our council website for registration form to pre-register with the approximate number of boys who are planning to attend by October 7th. This will help us make sure we have cache courses set for you and enough food for all participants. Failure to pre-register will mean that we cannot guarantee your participation in all events. If you have questions please contact Tom Chekouras at 260-563-7065.

Journey to Excellence

As we are approaching the end of the year we will be closely monitoring each pack's and troop's progress in the Journey to Excellence program which replaced the Centennial Quality unit award. Here are a couple of tips to make sure your unit is recognized.

1. Make sure that you have a committee of 3 members, all your den leaders are in place, and that everyone has their required trainings. The trainings include Youth Protection, This is Scouting, Fast Start, and Leader Specific training (all of which can be taken online). This covers 3 or 4 of the requirements.
2. Make sure that you log all of your service projects on the Journey to Excellence Website: <http://www.scouting.org/scoutsources/Awards/JourneyToExcellence.aspx>.
3. Make sure that you have submitted all of your advancement reports for your unit. Any Boy Scout ranks should be reported before the end of the year (don't wait for the court of honor). Any new Cub Scouts that earn their Bobcat badges, count as rank advancements towards the Journey to Excellence. Do these three things and you will be well on your way to proving to yourself and the national organization that you are one of the best units in the district.

UNIVERSITY OF SCOUTING

Sagamore Council's 5th Annual University of Scouting continues to allow Scout Leaders an opportunity to receive training for their positions, and to learn more about activities and areas in Scouting that are of interest.

The University of Scouting will take place at Pioneer High School on Saturday, November 5th. Doors will open at 7:45 a.m. with the opening ceremony at 8:30 a.m. Classes will run from 9 a.m. to 4 p.m., with lunch being served in the cafeteria from 12 Noon to 1 p.m. The building is two levels and an elevator is available. This year's attendees DO NOT need to pre-register for specific classes. Final class lists and class locations will be handed out at the registration table.

While the District classes are open to everyone, District Committee Members must take these courses. This training includes "District Committee Opening Session" (class 1) and "District Committee Specific Training" (class 2). Registrations received by October 21st will have a fee of \$15. Registrations received after October 21st will have a fee of \$25.

Registrations should be mailed to the Council Service Center or given to your District Executive. Checks should be made payable to Sagamore Council. Registration will be accepted at the door. *New this year, there will be a room dedicated to patch trading. Bring your patches and be part of the fun! Questions about the event may be directed to Dale Landis, landisd@att.net or your training chairman.
